HISTORY

ACTIVITIES

FUTURE PLANS

Apart from various awareness programmes RAIN Forum have Conducted several meetings with Industrialists for Promoting RWHS.

Results, few industrialists are going to install the system in their factory buildings

- Northern Tasrafe Garments Building, Tongi
- DBL Group, Gazipur
- NAZ Group, Gazipur
- Kazi Food Industries Ltd., Asuliya
- Mahmud Denim Ltd., Gazipur

HISTORY

ACTIVITIES

FUTURE PLANS

Recently we have completed our 1st large consultancy project on Sedimentation basin design for Rainwater reservoir at UNHCR Refugee camp, Teknaf, Cox's Bazar.

HISTORY

ACTIVITIES

FUTURE PLANS

Along with URWH, RAIN Forum have promoted **DEWATS** at various organizations. Recently we are doing consultancy project for BRAC -CDM at Rajendrapur, Gazipur.

HISTORY

ACTIVITIES

FUTURE PLANS

- ☐ If we would quantify entire success of all members of RAIN Forum, it will be significant success from this short time.
- ☐ Almost 5-6 giant real-estate developers start practicing RWHS in their upcoming projects.
- ☐ Almost 12-15 Factory Buildings incorporated RWHS
- ☐ Every month we got 15-20 phone calls regarding RWHS and DEWATS.

HISTORY

ACTIVITIES

FUTURE PLANS

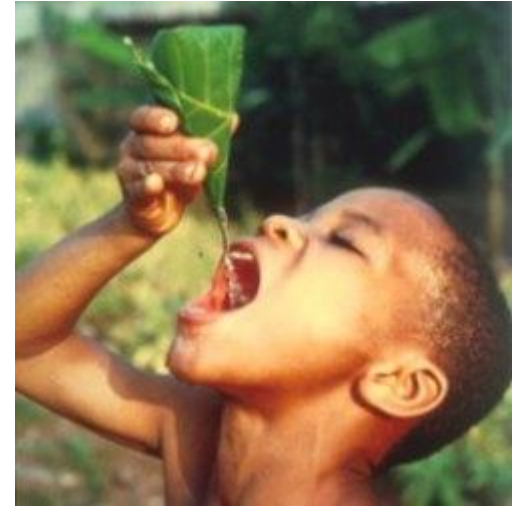

As a voluntary organization we could not bring that much success as we expected. However the organization is led by young leadership and has plans to popularize the URWHS and DEWATS among all potential organizations/institutes.

Up coming Programmes:

- Training Programme on URWHS and DEWATS
- Seminars at University
- Joint Seminar/workshop with Govt. Organizations
- Research work on Low Cost Reservoir System of RWH
- Research work on “performance evaluation of different plans for DEWATS

RAiN Forum always shows her gratitude to
WaterAid Bangladesh and
CSE-INDIA.

We believe that in the long run we would be able to get more collaboration in various layers for making a sustainable future.
