

Roundtable on “Continuous Emission Monitoring System (CEMS) in India- challenges and way ahead”

CSE- welcome and introduction Chandra Bhushan, Deputy Director General, CSE 10:00- 10:10 am

Panel discussions

CEMS implementation challenges and ways of improvement- INDUSTRY perspective 10:10-11:00 am
Panel- Orient paper, Ambuja Cement, JSW Energy, JSW Steel, Tata Power

CEMS implementation challenges and ways of improvement- SPCB perspective 11:00-11:50 am
Panel- MPCB, MPPCB, CECB, TNPCB, PPCB, GPCB

CEMS implementation challenges and ways of improvement- DEVICE MAKERS perspective 11:50-12:40 pm
Panel- ABB, Chemtrols, Thermofisher

Device certification, Lab empanelment and Data recording & transfer system

Panel- CPCB, NPL, BIS, Ascent Intellimation, Logic ladder

Lab empanelment & discussion BIS/ S K Tyagi- CPCB/J. S. Kamyotra, Director, CPCB 12:40- 01:10 pm

Device certification & discussion CPCB/NPL 01:10- 01:40 pm

Data recording and transfer Ascent Intellimation / Logicladder 01:40- 02:00 pm

Conclusion & way forward J. S. Kamyotra, Director, CPCB 02:00-02:15 pm

Lunch 02:15- 3:00pm

Venue: Centre for Science and Environment, 41, Tughlakabad Institutional Area, New Delhi- 110062
