

We love junk food but all it offers is calories. It is making us obese and diseased. **CSE has launched a campaign** to get junk out of school canteens. We invite you to join our hands.

All you have to do is **run**. Join us in the Delhi Quarterathon to give the campaign a kick-start and help us **raise funds** for it.

Log on to **www.cseindia.org** to get registered.

JUNK THE JUNK FOOD

THE DELHI QUARTERATHON
OCTOBER 14, 2012
