

2nd ONLINE IMPACT WORKSHOP CUM MASTER CLASS ON CAPACITY BUILDING INITIATIVE FOR CITYWIDE WATER AND SANITATION MANAGEMENT

Date: August 11 - 13, 2021 | **Venue:** Zoom

School of Water and Waste (SWW) is organizing its second 'Impact Workshop cum Master Class' of the two-part series events to re-connect with alumni and resource persons for evaluation and assessment as core strategy to achieve higher outcomes of capacity building interventions.

The 3-day workshop aims to bring together the SWW alumni, institutional programme partners, key resource persons – participants of various short-term trainings (including residential, online trainings/webinar), workshops, knowledge conclaves, field exposure visits to identify the 'change agents' – water manager and leaders.
