Special reports/articles on Climate Change in Down to Earth - a selection

1	Run for cover: 100 days, 44 storms, 16 states, 423 deaths <i>An unprecedented storm season challenges India's scientific community</i>	http://www.downtoearth.org.in/coverage/run-for-cover-100-days-44-storms-16-states-423-deaths-60743
2	Africa and climate change: Exiled by emissions <i>The impacts of climate change are making the continent even more vulnerable</i>	http://www.downtoearth.org.in/coverage/africa-and-climate-change-exiled-by-emissions-60552
3	India's climate quandary <i>The National Innovations in Climate Resilient Agriculture, India's flagship programme that aims to make Indian villages climate-proof, is at crossroads due to a lack of strategy for expansion</i>	http://www.downtoearth.org.in/coverage/not-adapting-to-change-59869
4	Bleached to death <i>The current mass bleaching of corals across the world appears to be the most severe ever. It threatens the very existence of coral reefs. Shreeshan Venkatesh finds out what's driving the event ...</i>	http://www.downtoearth.org.in/coverage/bleached-to-death-56019
5	Deluge despite deficit <i>This year, floods have occurred even in areas that are arid or have received less than normal rainfall. As erratic weather events become more common with climate change, India urgently needs to ...</i>	http://www.downtoearth.org.in/coverage/new-flood-55502
6	In-depth coverage: Drought, but why <i>Drought now affects people across classes. India needs a new strategy for disaster management</i>	http://www.downtoearth.org.in/coverage/in-depth-coverage-drought-54343
7	The gas game <i>Fluorocarbons, which created a hole in the ozone layer, have generated intense global debates. But these have been more about business than environment. The world shifted to other gases twice. ...</i>	http://www.downtoearth.org.in/coverage/the-gas-game-42172
8	A win-win deal <i>The agreement to amend the Montreal Protocol for hydrofluorocarbon phase-down is a huge success for India</i>	http://www.downtoearth.org.in/news/a-win-win-deal-56182

9	<p>Jammu and Kashmir Floods: Caught unawares <i>Despite having a history of floods, Jammu and Kashmir did not have a disaster management system in place. Panic returns as more rains predicted</i></p>	<p>http://www.downtoearth.org.in/news/jammu-and-kashmir-floods-caught-unawares-46253</p>
10	<p>Himalayan glaciers are receding faster than before To understand their changing behaviour in the wake of climate change, Indian scientists have for the first time set up a high-altitude glaciology research station in the lofty mountain range</p>	<p>http://www.downtoearth.org.in/coverage/on-thin-ice-59047</p>
