

Training Programme on GIS and Remote Sensing for Designing & Implementing Green Infrastructure

Part A (Online): 23 June to 9 July 2021 | **Part B (Residential):** 28 - 30 July, 2021 | **Language:** English
Venue: Anil Agarwal Environment Training Institute (AAETI), Nimli, Rajasthan

BACKGROUND

This tailor-made training on Geographic Information System (GIS) and Remote Sensing (RS) will go long way supporting practitioners as well as allow managers and regulators move efficiently from traditional planning and design techniques to smart, cost effective and sustainable water and sanitation solutions.

GIS Package: The course will be run on open-source GIS package, Quantum-GIS (Q-GIS).

AIM

To equip practitioners, managers and regulators with state of art tools and techniques required for water sensitive urban design and planning.

LEARNING OBJECTIVES

- Build skills to use GIS and RS in sustainable water management in city/region.
- Enhance understanding on various data portals: USGS Earth Explorer, Bhuvan, OpenStreetMap, Toposheets, etc.
- Prepare maps and perform analysis using open-source GIS packages for designing and implementing green infrastructure for improved water security in city/region.

PROGRAMME DESIGN

Part A: Context setting and Introduction (Online Platform) 23 June to 9 July, 2021

Part B: Action Learning (Residential Training) 28 - 30 July, 2021

GIS proficiency is not a requirement. However, participants must have basic proficiency in using of computers, and access to a computer system with minimum requirements for downloading, installing and running Q-GIS package.

TRAINING FEE

Part A (online): ₹3,500 (Indian participants), \$100 (Participants from outside India)

Part B (Residential): ₹26,400 (Only for Indian participants)

Includes Tuition fee, Training material, External expert lectures and sessions, Boarding and lodging, Transport from New Delhi to AAETI and back.

Part and Full fellowships available: Part and Full fellowships are available for Part B (Residential Training) for deserving candidates and alumni.

Note: Only shortlisted candidates will be informed.

EXTERNAL TRAINERS

Dr Pramod Kumar
IIRS Dehradun,
India

Dr Nevil Quinn
UWE Bristol,
UK

Mr Ujaval Gandhi
Spatial Thoughts,
India

Prof. A. K. Gosain
IIT Delhi,
India

Dr Sandhya Rao
INRM Consultants,
India
