09th August 2003

Dear Sunita Narain:

May I thank you for your letter of 5th August 2003.

I was out of India and returned last Friday. Going through the papers I can see that your organization is very much in news. I have also found that Pepsi is proposing to move a writ petition in which some directions are sought against your organization. I will be watching the turn of events with great interest. Incidentally, who are the lawyers representing you.

With regard to your request to take action for framing necessary regulations in this behalf, I am afraid it will have to wait for some time as I am again leaving for Geneva next week and will be back on the 17th.

With regards,

Yours sincerely

Soli J Sorabjee
