Training on Planning and Implementation of Faecal Sludge and Septage Management (FSSM); dt. 17-18 December 2018, Lucknow

1. Impact on your work

2. Methodology/Learning effect-How do you assess?

3. Participants - How do you assess?

4. Achieved Objective - In your opinion

5. Organisation - How do you assess?
Excellent work! Very relevant to my field of work. Kudos to CSE and involved team.
Ashish Kumar Khewaria
Asst. Engineer, UP Jal Nigam Ghaziabad

Good knowledge of the subject and lectures were good. They have command on the subject. Site visit was good and sites were well maintained.
Surendra Bahadur Singh
Board of Revenue
SDM

It was a very good experience to visit plants at Bhubaneswar and Puri. This visit has enhanced understanding on FSSM and FSTP.
MohitChak
Executive Engineer, UP Jal Nigam

Thanks to CSE personals to arrange the exposure visit. May God bless to CSE personals
