As a follow up to the Policy and Practice Forum 2023, CSE has initiated an Informal Discussion Series on Water and Sanitation with the aim of providing an open forum for discussion and learning on critical topics. Discussing what we know and what more we need to know and do to achieve this understanding to place it for policy and practice consideration – serving the theme of the Policy and Practice Forum 2023.

**Aim**
Learning and Sharing Forum - What we know, identifying what more we need to know and do for achieving inclusive and affordable sanitation.

**THE WEBINAR WILL COVER:**

**Part (A) – Panel Discussion :**
Understanding Basics of FSTPs and STPs Treatment Systems (90 minutes)

**Part (B) – Geo-spatial CWIS Planning Approach/Tool:**
Suraj Kumar, CEO, Innpact Solutions (30 minutes)
