To : The Commissioner / Executive Officer (all ULBs)

**Sub: Providing data regarding the volume and hotspots of Construction and Demolition (C&D) waste.**

**Ref: Workshop of ULBs on 16th and 17th February, 2023 on C & D Waste.**

**Sir/ Madam,**

With reference to the above, you are requested to provide the data regarding the volume of Construction and Demolition (C&D) waste and the hotspot wards both for Roads and Building, which are being generated today and 2/3 years henceforth. Management of Construction and Demolition waste is one of the key focus of the clean air action plans world wide and to reduce air pollution it is required to focus on strategy for dust control and management of C&D waste. Therefore it is necessary to understand and share the experience on ecosystem approach to C&D management including methods for estimation of volume of C&D waste.

Also compliance of C&D waste management rules is essential for all concerned. The report may please be mailed to [sbm.wbsuda@gmail.com](mailto:sbm.wbsuda@gmail.com) by 31/03/2023 positively.

Yours sincerely,

Sd/-
