**Preparation of Bye-Laws for Faecal Sludge and Septage Management**

**Date:** August 25, 2023  
**Time:** 10:00 AM - 4:00 PM  
**Venue:** SWATI Conference Hall, Urban Training and Research Institute, Department of Urban Development, Lucknow

With support of CSE, Department of Urban Development (DoUD), Uttar Pradesh has prepared the (draft) ‘State Model Bye-laws for Faecal Sludge and Septage Management’. The model document will provide the guidance to ULBs for preparing the FSSM bye-laws as per their contextual requirement. The bye-laws will help in establishing and strengthening regulatory framework at city level for safe management of faecal sludge and septage.

**Aim/Purpose:** The training will build the capacity of city officials to prepare and implement the FSSM Bye-Law in their ULB for ensuring the safe management of sanitation service chain.

**Learning Objective**
- To understand the need and get familiarize with the various components of FSSM Bye-laws
- To identify the critical aspect of bye-laws for decision making with multi-stakeholders engagement
- To familiarize with the use of calculator to determine the desludging fee at the city-level
- To understand the process of bye-laws gazette notification
- To enable officials for preparing the FSSM bye-laws

**Target Audience**
Executive Officers, Assistant/Junior Engineer, Sanitary & Food Inspector, District Project Managers-DPM (SBM)

**Our Speakers**
- SUBRATA CHAKRABORTY: Senior Program Manager, Water Program, CSE
- HARI PRAKASH HAHYVANSHI: Deputy Programme Manager, Water Program CSE
- HARSH YADAVA: Senior Research Associate, Water Programme, CSE
- P.K. SRIVASTAVA: Additional Mission Director, AMRUT
- DR. NITIN BANSAL (IAS): Director, Directorate of Urban Local Bodies & State Mission Director, SBM (Urban), GoUP
