World Toilet Day is held every year on 19 November. It has been an annual United Nations Observance since 2013. World Toilet Day celebrates toilets and raises awareness of the 3.6 billion people living without access to safely managed sanitation. Theme of 2022 World Toilet Day: “Sanitation and Groundwater”

How was the World Toilet Day promoted as an international UN Sanitation Day?

What is the significance of World Toilet Day today and what needs to be prioritised especially in Global South countries?
