

**ONLINE TRAINING**

WATER SENSITIVE URBAN DESIGN & PLANNING – APPROACH, CHALLENGES & POTENTIAL

Dates: **September 07 – 20, 2021**Last Date to Apply: **September 5, 2021**Course Duration: **16 hours (self-paced – 8 hours
and virtual sessions – 8 hours)**Learning Platforms: **Moodle and Zoom**Course Type: **Online**Inaugural Session: **11.00am -11.45am IST
on September 7, 2021****PARTICIPATION BY INVITATION ONLY**

Cities are confronted with significantly changing conditions due to rapid urbanization and inadequate infrastructure increasing water demand - supply gap, loss of impervious surfaces and overexploitation of aquifers and broken water cycle which impacts the river health / flows. Water-Sensitive Urban Design and Planning (WSUDP) is a new approach contributes to sustainability and liveability. It involves intervention at different scales - city, ward/neighbourhood or individual buildings. This online training is a part of series of activities envisaged under newly launched 3-year duration CSE programme - 'Capacity building initiative focusing on 'Making Ganga basin cities water sensitive'. Under this initiative series of - webinars, workshops trainings (both online and residential), field exposure visits, knowledge conclaves aimed at engaging 1,300+ number state / municipal functionaries and other sector players.

ABOUT THE TRAINING

The training will focus on Water-Sensitive Urban Design and Planning (WSUDP) approach which integrates the urban water cycle, water supply, wastewater and storm water and groundwater management.

AIM

Capacity building of State / Municipal functionaries and other sector players involved in city planning and urban infrastructure development.

**INAUGURAL SESSION ON
SEPTEMBER 7, 2021
11:00AM – 11:45AM IST**

**EXTERNAL EXPERTS FOR THE
ONLINE TRAINING**

*Speaker*

**RAJIV RANJAN
MISHRA**
Director
General, NMCG

*Moderator*

**SURESH KUMAR
ROHILLA**
Senior Director,
CSE

SOMNATH SEN
Retd. Associate
Professor at IIT
Kharagpur

**VANDANA MENON**

Independent
Consultant,
New Delhi

**P.Z. THOMAS**

Managing Director & EIA
Coordinator,
M/s Environmental
Engineers & Consultants Pvt Ltd

**CHANDRASHEKHAR
SHANKAR**

Director, Vision Earth
Care (VEC)
