Round Table Discussion:
BSVI Readiness and Roadmap
Centre for Science & Environment

April 8, 2019 | Maple Hall, India Habitat Centre, New Delhi

DRAFT PROGRAMME SCHEDULE

11:15 AM: TEA

Discussion: BSVI readiness for on-road emissions monitoring

Tap into global learning curve to know how inspection and maintenance programme and on-road surveillance must get upgraded for on-road and real world monitoring. What BSVI vehicles mean for vehicle operators and what kind of readiness is required on ground. How do we build consumer information?

• **What it means for State Transport Departments**

- ◆ Department of Transport, Uttar Pradesh - Gangaphal, Additional Transport Commissioner (Road Safety/IT)
- ◆ Department of Transport, Jammu & Kashmir - Swarn Singh, Assistant Transport Commissioner

Discussion: What it means for public and freight transport operations?

• **Bus Experts**

- ◆ Jayant Deshmukh, Independent Consultant
- ◆ Laghu Parashar, Senior Adviser, GIZ

• **Bus Operators**

- ◆ Telangana State Road Transport Corporation – M Ravindar, Executive Director (Engineering)
- ◆ Bangalore Metropolitan Transport Corporation - M N Srinivasa, Chief Mechanical Engineer (Maintenance)
- ◆ Delhi Transport Corporation - V. K. Gupta, Chief General Manager (Tech) & R.K. Jain, Deputy General Manager
- ◆ Delhi Contract Bus Association - Harish Sabharwal, General Secretary

• **Commercial Vehicles**

- ◆ All India Motor Transport Congress - Naveen Kumar Gupta, General Secretary

• **Intermediate Public Transport**

- ◆ Indian Tourist Transporters Association - Krishan Dutt Yadav, President & Sarabjit Singh

Concluding Remarks

1:30 PM LUNCH
