

Report No 79

Status Report on the compliance of orders of the Hon'ble Supreme Court on EPCA reports No 72 and 76 on ban on sale and use of furnace oil and pet coke in NCR for matter listed for hearing on February 1, 2018

**Writ Petition Civil No: 13029/1985
January 30, 2018**

Environment Pollution (Prevention and Control) Authority for NCR (EPCA)

	Date and order of Hon'ble Supreme Court	Status of action taken	Comments of EPCA, if any
1.	24.10.2017 Ban on use of furnace oil and pet coke in the states of UP, Haryana and Rajasthan	MoEF&CC/CPCB have issued directions under section 5 banning use of pet coke/furnace oil in states of UP, Haryana and Rajasthan. In Delhi these are already banned (Annexure 1)	
2.	24.10.2017: Setting emission standards for SO ₂ , NO _x and SOX for 16 industries, which CPCB had finalized on 27.6.2017 and for which draft standard had been issued on 23.10.2017. The Hon'ble Court had noted that the period of inviting public objections would be over about December 23 rd when the notification would be issued	Draft standard issued on 23.10.2017 setting standards for SO ₂ and NO _x for boiler used in 21 different industries (Annexure 2)	<p><i>These draft standards have <u>not</u> been notified, even after the expiry of 60 days.</i></p> <p>These standards are crucial for the following reasons:</p> <ol style="list-style-type: none"> These are applicable across the country, where there is no ban on the use of pet coke or furnace oil and so would reduce pollution. These are needed to control pollution in industries even in states where there is a ban as the substitute fuel (coal or other liquid fuels), will also pollute and so, without these emission standards there is no control or monitoring.
3.	24.10.2017:	Standards for	As above.

	Emission standard with regard to 5 more industries, for which standards were sent subsequently	these 5 industries, namely, lime kiln, glass, ceramic, foundries, re-heating furnaces Included in draft standard of 23.10.2017	<i>Final standard not yet notified</i> and this delay is very detrimental to the environment as industries are operating without any emission control. EPCA has prepared status report on these standards as listed in Hon'ble SC order of 2.5.2017 (Annexure 3)
4.	24.10.2017: Standards for two remaining industries, i.e. nitric acid industry and fertilizer industry, which were sent to MOEF by CPCB on February 14, 2014. Draft notification to be issued within one month from today.	Draft standard was issued in 2016 (Annexure 4)	Status of final standard not known. Delay is inexplicable as this industry is largely based on gas/naphtha and the NOx standard for it as per the draft is 400 mg/Nm ³ , which is lenient.
5.	24.10.2017: Industry was to abide by the standards fixed by CPCB as per assurance given to Hon'ble Court		Industry must inform Hon'ble Court if it is abiding with the assurance given
6.	17.11.2017: Pollution caused by pet coke and furnace oil is not a problem confined to NCR. Request state governments to take similar measures	Status of action not known	It is clear that air pollution is increasing in many parts of the country. The use of extremely polluting fuel like pet coke and furnace oil is one major contributor to this problem and therefore, the ban should be extended across the country.
6.	13.12.2017: Use of pet coke in cement industry: System of regulation for sale and use of pet coke will be brought into force within 4 weeks	MOEF&CC has notified regulation on January 19, 2018 (Annexure 5)	There must be additional requirement that the details of registration of the cement plants and the refinery from where they are getting pet coke/or through import should be made available publicly on CPCB website so that there is monitoring. Currently, the state boards are required to share this information every quarter with CPCB.
7.	13.12.2017: Use of	MOEF&CC has	The concern of EPCA remains

	pet coke in lime industry. Standards were to be notified within 3 months, on or before March 31, 2018; EPCA was to be informed about number of industries and system to strictly regulate; regulations were to be made before January 31, 2018	notified this regulation notified on January 19, 2018 (Annexure 6)	unaddressed in the notification. The notification includes 323 small-scale industries. While the notification says that the user and seller will both require registration with the state pollution control board, our concern remains that this industry and its final product is not regulated and so ensuring compliance will be difficult. In this way, these industries could be used to circumvent the ban. Furthermore, standards for emission for this industry are still not finalized or notified.
8.	13.12.2017: Use of furnace oil permitted in thermal power plants for a period of one year.	Done	
9.	13.12.2017: Ban on import of pet coke: "MOEF to expeditiously take a final decision after consulting the stakeholders as well as EPCA in this regard"	Status of decision on ban on import not known	<p>However, MOEF&CC notification of January 19, 2018 (Annexure 5-6) allows cement and limekiln to "directly import pet coke and consignment shall be in the name of the user industry for their own use only."</p> <p>It also says, "import of pet coke for purposes of trading shall not be permitted in NCR states".</p> <p>Therefore, it has allowed these industries to use imported pet coke.</p> <p>Given that India produces domestic pet coke (roughly 12 million tonnes per year), there is domestic pet coke to use as fuel for cement and lime-kiln and therefore, there is no need for us to import this waste product from other countries.</p> <p>MOEF&CC needs to take a final view on the import of pet coke.</p>

F. No. Q-18011/159/2017-CPA
Government of India
Ministry of Environment, Forest & Climate Change
CP Division

Indira Paryavaran Bhawan
Jor Bagh Road
New Delhi-110003

Dated 15th November 2017

Subject: Ban on use of Pet Coke and Furnaces Oil in Delhi and NCR States-reg

Air pollution has become paramount issue of concern in recent time more specifically in Delhi and NCR region necessitating significant measures for addressing the issue in comprehensive manner. The Graded Response Action Plan notified by the Ministry of Environment, Forest and Climate Change, specifying measures for control of air pollution in Delhi and NCR is already under implementation. However, it has been observed that in spite of all the ongoing measures, Emergency and Severe levels of air pollution has become recurring phenomenon in Delhi and NCR specially during winter. Accordingly, the need for implementation of long term measures for prevention, control and mitigation of air pollution so as to avoid the recurrence of these emergency situation of air pollution is felt on an immediate basis.

2. Pet Coke and Furnace Oil are reported to be contributor of secondary particulate matter in the ambient air of Delhi and NCR. Therefore, there is a need for abatement of air pollution from use of these fuels. It is also noted that the use of Pet Coke and Furnace Oil is not permitted in Delhi.

3. In view of above, the Central Government in the Ministry of Environment, Forest and climate Change has decided that use of Pet coke and Furnace Oil in Delhi and NCR states will be henceforth banned with immediate effect until further orders.

mif

4. Central Pollution Control Board(CPCB) is requested to issue direction under Section 5 of Environment (Protection) Act, 1986 to all the States in NCR viz. Uttar Pradesh, Haryana and Rajasthan prohibiting any industry, operation or processes using Pet Coke and Furnace Oil as fuel with immediate effect until further orders.

5. CPCB is also requested to communicate compliance status with reference to this direction to this Ministry.

This issues with approval of the Competent Authority.

(Ritesh Kumar Singh)

Joint Secretary to Govt. of India

SPEED POST

B- 33014/40/2017- AQM

November 15, 2017

The Chief Secretary
(as per list)

Sub.: Direction under Section 5 of The Environmental (Protection) Act, 1986 regarding prohibition on use of Petcoke & Furnace oil in NCR states- reg.

WHEREAS, rising air pollution in Delhi is a matter of serious concern, especially with regards to high levels of particulate matter exceeding National Ambient Air Quality Standards, 2009;

WHEREAS, in spite of targeted action implemented as per Graded Response Action Plan, Delhi air quality deteriorated significantly and reached 'Severe +' or Emergency conditions on November 07, 2017 and recurring since then;

WHEREAS, petcoke & furnace oil are some of the contributors to secondary particulate matter in the ambient air in Delhi and NCR and secondary particulate is a consistent source, contributing 25% – 30% (PM_{10} – $PM_{2.5}$) during winters and 10% – 15% (PM_{10} – $PM_{2.5}$) during summers;

WHEREAS, use of petcoke and furnace oil is not permitted in Delhi;

WHEREAS, Hon'ble Supreme Court vide its order dated October 24, 2017 in WP (c) 13029/ 1985 in the matter of M.C. Mehta Vs. Union of India directed, "Since the state governments of U.P., Haryana and Rajasthan have no objection and they have not taken any positive action, keeping the pollution level in NCR and particularly in Delhi, we have no option but to place a ban on use of furnace oil and petcoke in the states of U.P., Haryana and Rajasthan. The ban will come into effect from November 01, 2017. We expect the state governments to issue appropriate notification immediately. Even if they do not issue such notification then in compliance with the order of this court, the ban will take effect from 1st November, 2017 in any case";

WHEREAS, the central government in the Ministry of Environment, Forest and Climate Change has decided that use of petcoke and furnace oil in Delhi and NCR states will be henceforth banned with immediate effect until further orders;

Now therefore, in exercise of powers delegated to The Chairman, CPCB under Section 5 of The Environmental (Protection) Act, 1986 and in view of above referred Hon'ble Supreme Court's order, it is directed that prohibition on use of petcoke and furnace oil by any industry, operation or processes within your state be ensured, with immediate effect until further orders.

Receipt of this direction may please be acknowledged immediately and action taken report be sent to CPCB within 7 days of receipt of these directions.

GOVERNMENT OF INDIA
MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
NOTIFICATION

New Delhi, the 23 October, 2017

G.S.R.(E)The following draft of the notification, which the Central Government proposes to issue in exercise of the powers conferred by sections 6 and 25 of the Environment (Protection) Act, 1986 (29 of 1986) is hereby published, as required under sub-rule (3) of rule 5 of the Environment (Protection) Rules, 1986, for the information of the public likely to be affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration on or after the expiry of a period of sixty days from the date on which copies of the Gazette containing this notification are made available to the public.

Any person interested in making any objections or suggestions on the proposals contained in the draft notification may forward the same in writing, for consideration of the Central Government within the period specified above to the Secretary, Ministry of Environment, Forest and Climate Change, Indira Paryavaran Bhawan, Jor Bagh Road, New Delhi-110003, or send it to MS, CPCB and Scientist 'D' Ministry at the e-mail address i.e. mscb.cpcb@nic.in and h.kharkwal@nic.in.

Draft Notification

The Central Government hereby makes the following rules further to amend the Environment (Protection) Rules, 1986, namely:-

1. **Short title and commencement.**- (1) These rules may be called the Environment (Protection) Amendment Rules, 2017.
 (2) They shall come into force on the date of their final publication in the Official Gazette.
2. In the Environment (Protection) Rules, 1986, in Schedule-I, after serial number 105 and the entries relating thereto, the following serial number and entries shall be inserted, namely:-

Sl. No.	Type of industrial boiler (fuel wise)	Standards	
		SO ₂	NO _x
105A	Agro based fuel*	-	-
105B	Natural gas*	-	-
105C	Petcoke and Petcoke blend**	600 mg/Nm ³ at 6% dry O ₂ for solid fuel and 3% dry O ₂ for liquid fuel	300 mg/Nm ³ at 6% dry O ₂ for solid fuel and 3% dry O ₂ for liquid fuel
105D	Other fuels		

* It is required to meet stack height criteria notified vide GSR 176 (E), dated April 02, 1996.

The boiler used in the industries, namely (1) sugar (2) cotton textiles (3) composite woollen mills (4) synthetic rubber (5) pulp and paper (6) distilleries (7) leather industries (8) calcium carbide (9) carbon black (10) natural rubber (11) asbestos (12) caustic soda (13) small boilers (14) aluminium plants (15) tannery (16) inorganic chemical (17) lime kiln (18) glass industry (19) ceramic (20) foundries and (21) re-heating furnaces, shall adhere to emission norms in the said notification. ****Continuous online SO₂ emission monitoring system to be installed and linked with Central Pollution Control Board and State Pollution Control Board online pollution monitoring System.**

Note:

For captive power plants using Solid fuels such as coal, lignite, etc. the emission limit notified for Thermal Power Plants vide notification no S.O. 3305 (E), dated December 07, 2015 shall be applicable.

F.N.O. Q-15017/40/2007-CPW)

Dr. A. Senthil Vel,
Scientist 'G'

Note:- The principal rules were published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i) vide number S.O. 844 (E), dated the 19th November, 1986 and lastly amended vide notification G.S.R. 1016(E), dated the 28th October, 2016.

Annexure 3

Status of SO₂ and NO_x standards in 34 industries as listed in the order of Hon'ble Supreme Court of 2.5.2017

Status as of January 30, 2018

		Status of standards
1.	Sugar	Draft: 23.10.2017
2.	Thermal Power Plant	Final standard issued 7.12.2015 but not yet implemented

GOVERNMENT OF INDIA

MINISTRY OF ENVIRONMENT AND FOREST & CLIMATE CHANGE

NOTIFICATION

New Delhi,, 2016

G.S.R.....(E).- In exercise of the powers conferred by sections 6 and 25 of the Environment (Protection) Act, 1986 (29 of 1986), the Central Government hereby makes the following rules further to amend the Environment (Protection) Rules, 1986, namely:-

1. (1) These rules may be called the Environment (Protection) Amendment Rules, 2016.
- (2) They shall come into force on the date of their publication in the Official Gazette.
2. (a) In the Environment (Protection) Rules, 1986, in Schedule I, for serial number 17 and entries relating thereto, the following serial number and entries shall be substituted, namely:-

S. No.	Industry	Parameter	Standards
(1)	(2)	(3)	(4)
"17.	Fertilizer Industry	A.- Effluent Standards	
		(i) Straight Nitrogenous Fertilizer Plant/Ammonia (Urea Plant), Calcium Ammonium Nitrate and Ammonium Nitrate Fertilizers	
			Limiting concentration not to exceed in milligram/litre (mg/l), except for pH
		pH	6.5 to 8.5
		Suspended Solids	100
		Oil & Grease	10
		Ammonical Nitrogen as N	50
		Total Kjeldhal Nitrogen (TKN) as N	75
		Free Ammonical Nitrogen as N	4.0
		Nitrate Nitrogen as N	Urea Plant
			10
			Other than Urea Plant
			20
		(ii) Straight Phosphatic Fertilizer Plant	
		pH	6.5 to 8.5
		Suspended Solids	100
		Oil & Grease	10
		Fluoride	10
		Dissolved Phosphate as P	5.0
		(iii) Complex Fertilizer Plant and / or NP / NPK (N-Nitrogen, P- Phosphorus and K- Potassium)	
		pH	6.5 to 8.5
		Suspended Solids	100
		Oil & Grease	10

A

S. No.	Industry	Parameter	Standards
(1)	(2)	(3)	(4)
		Total Kjeldhal Nitrogen (TKN) as N	75
		Free Ammoniacal Nitrogen as N	4.0
		Nitrate Nitrogen as N	20
		Dissolved Phosphate as P	5.0
		Fluoride as F ⁻	10

Note:

- (i) Chromium salt shall not be used in cooling tower as algicide.
(ii) The effluent shall be analysed for Vanadium and Arsenic once in year and analysis report shall be submitted to the concerned State Pollution Control Board / Pollution Control Committee.

B. - Emission Standards

(i) Straight Nitrogenous.

(a) Ammonia Plant-Reformer

Oxides of Nitrogen (as NO₂)400 mg/Nm³*

(b) Urea Plant - Prilling Tower

Particulate Matter

Pre 1982 units

150 mg/Nm³

Post 1982 units

50mg/Nm³

(ii) Ammonium Nitrate/ Calcium Ammonium Nitrate/NPK plant

Particulate Matter

Existing Plant

150 mg/Nm³

New Plant

100 mg/ Nm³Ammonium as NH₃

Existing Plant

300 mg/Nm³

New Plant

150 mg/Nm³Total Fluoride as F⁻20 mg/Nm³ (only NPK Plant)

(iii) Phosphatic Fertilizer Plants - Phosphoric Acid Plants/ Rock grinding and Acidulation SSP Plants

Particulate Matter

125 mg/Nm³Total Fluoride as F⁻20 mg/Nm³

(iv) Nitric Acid Plant

Oxides of Nitrogen (as NO₂)400 mg/Nm³* Values to be reported at 3% O₂

Notes:

- (i) Fluoride norms shall be applicable only for NPK plant.
(ii) Plant commissioned on or after the date of notification, shall be treated as 'New Plant'.
(iii) The height of the stack emitting Sulphur Dioxide, Oxides of Nitrogen or Oxides of Phosphorus or acid mist shall be a minimum of 30 metres or as per the formula $H=14(Q)^{0.3}$, whichever is more, where "H" is the height of stack in metres and "Q" is the maximum rate of SO₂, NO₂ or P₂O₅.

4

S. No.	Industry	Parameter	Standards
(1)	(2)	(3)	(4)
		emission standards individually.	
		(v) Tail gas plants having separate stack for gaseous emission for the scrubbing unit, the height of this stack shall be equal to main stack or 30 metres, whichever is higher.	

(b) In Schedule VI, Waste Water Generation Standards, Part B, for serial number 11, Fertiliser and entries relating thereto, the following serial number and entries shall be inserted, namely:-

S. No.	Industry	Parameter	Standards
(1)	(2)	(3)	(4)
11.	Fertiliser Industry	Naphtha, Natural Gas & Mixed Feedstock (Naphtha + Natural Gas) Based (Straight Nitrogenous Fertiliser)	4.0 m ³ /tonne of Urea or equivalent produced
		Straight Phosphatic Fertilizer (Single Super Phosphate (SSP) & Triple Super Phosphate (TSP)) excluding manufacturing of any acid	0.4 m ³ /tonne of SSP or TSP
		Complex Fertilizer	Standards of Nitrogenous and Phosphatic fertiliser are applicable depending on the primary product."

- (12) एनसीआर राज्यों में स्थित औद्योगिक इकाइयां पेट कोक को केवल उत्पादकों या परिष्करणियों और उनके प्राधिकृत व्यवहारियों से प्राप्त (सोर्स) करेंगी और वे इन उत्पादों को किसी अन्य बिचौलिया स्रोत से प्राप्त नहीं करेंगी चाहे वे एनसीआर राज्यों से बाहर अवस्थित हों।
- (13) एनसीआर से इतर राज्यों में उत्पादकों या परिष्करणियों तथा उनके प्राधिकृत व्यवहारियों को, जो एनसीआर राज्यों में प्रयोक्ता उद्योगों को बिक्री कर रहे हैं, उपर्युक्त निदेश (4) के अनुसार उन राज्यों के राज्य प्रदूषण नियंत्रण बोर्डों में रजिस्ट्रीकरण कराना होगा, जहां अंतिम प्रयोक्ता रह रहे हैं और वे इस बात को सुनिश्चित करेंगे कि बिक्रियां उपर्युक्त (5) और (6) में दिये गये निदेशों के अनुसार हों और वे उपर्युक्त निदेश (9) के अनुसार त्रैमासिक रिपोर्ट उस राज्य के राज्य प्रदूषण नियंत्रण बोर्ड को फाइल करेंगे, जहां अंतिम प्रयोक्ता रहते हैं।

2. अधिसूचना राजपत्र में प्रकाशन की तारीख को प्रवृत्त होगी।

[फा. सं. क्यू-16017/4/2018-सीपीए]

रितेश कुमार सिंह, संयुक्त सचिव

MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

NOTIFICATION

New Delhi, the 19th January, 2018

G.S.R. 46(E).—Whereas with a view to protecting and improving the quality of environment and preventing, controlling and abating environmental pollution in the National Capital Region (NCR) States, there is a need to take measures relating to sale and use of pet coke in the NCR States;

Now, therefore, in exercise of the powers conferred by sub-sections (1) and (2) of section 3 of the Environment (Protection) Act, 1986 (29 of 1986), the Central Government hereby issues the following directions, namely :—

Sale and use of pet coke in Cement Plant in NCR States:—

- (1) No cement plant consuming pet coke as a fuel shall operate in NCR States without obtaining the consent of and registration with the respective concerned State Pollution Control Board.

- (2) Consent issued by the concerned State Pollution Control Board shall clearly specify the quantity of fuels permitted per month and per annum vis-à-vis products produced per month and per annum.
- (3) Industrial unit shall not be permitted to store pet coke for more than its three months consumption.
- (4) All producers or refineries, their authorised dealers and users of pet coke in NCR States, shall be registered with the concerned State Pollution Control Board.
- (5) Refineries and their authorised dealers shall sell pet coke to only consented and registered industrial units in the NCR States according to the quantity permitted in the consent issued by the concerned State Pollution Control Board.
- (6) Sale of pet coke by producers or refineries shall be in maximum two steps, from refinery-to-industry or from refinery-to-authorised dealer-to-industry.
- (7) Only consented and registered industrial units of NCR States shall be permitted to directly import pet coke and consignment shall be in the name of user industrial units for their own use only.
- (8) Import of pet coke for purposes of trading shall not be permitted in NCR States.
- (9) Producers or refineries and their authorised dealers shall submit details of pet coke produced and sold to end user industrial units during the month, and opening and closing stock to the concerned State Pollution Control Board on quarterly basis.
- (10) All end user industrial units, including oil refineries, shall submit details of pet coke purchased from different sources during the month (self-produced, imported, purchased from refineries or authorised dealers), quantity consumed during the month, and opening and closing stock to the concerned State Pollution Control Board on quarterly basis.
- (11) The NCR States Pollution Control Boards shall develop an electronic record system for uploading of consents, registration, record of sales by oil refineries, and record of use by industrial units, as mentioned above and the said Boards shall share this data on a quarterly basis with the Central Pollution Control Board.
- (12) Industrial units in NCR States shall source pet coke only from producers or refineries and their authorised dealers and they shall not source these products from any other intermediaries even when they are located outside the NCR States.
- (13) For producers or refineries and their authorised dealers in non-NCR States who are making sales to user industries in NCR States, such producers or refineries shall have to be registered with State Pollution Control Board of the States where the end users reside in accordance with direction (4) above and they shall ensure that the sales are as per the directions (5) & (6) above and they shall file quarterly reports to the State Pollution Control Board of the State where the end users reside in accordance with direction (9) above.

2. This notification shall come into force on the date of its publication in the Official Gazette.

MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

NOTIFICATION

New Delhi, the 19th January, 2018

G.S.R.45(E).—Whereas with a view to protecting and improving the quality of environment and preventing, controlling and abating environmental pollution in the National Capital Region (NCR) States, there is a need to take measures relating to sale and use of pet coke in the NCR States;

Now, therefore, in exercise of the powers conferred by sub-sections (1) and (2) of section 3 of the Environment (Protection) Act, 1986 (29 of 1986), the Central Government hereby issues the following directions, namely:-

Sale and use of pet coke in Lime Kiln in NCR States:

- (1) No lime kiln consuming pet coke as a fuel shall operate in NCR States without obtaining the consent of and registration with the concerned State Pollution Control Board.
- (2) Consent issued by the concerned State Pollution Control Board shall clearly specify the quantity of fuels permitted per month and per annum vis-à-vis products produced per month and per annum.

- (3) Industrial unit shall not be permitted to store pet coke for more than its three months consumption.
- (4) All producers or refineries, their authorised dealers and users of pet coke in NCR States, shall be registered with the concerned State Pollution Control Board.
- (5) Refineries and their authorised dealers shall sell pet coke to only consented and registered industrial units in the NCR States according to the quantity permitted in the consent issued by the concerned State Pollution Control Board.
- (6) Sale of pet coke by producers or refineries shall be in maximum two steps, from refinery-to-industry or from refinery-to-authorised dealer-to-industry.
- (7) Only consented and registered industrial units of NCR States shall be permitted to directly import pet coke and consignment shall be in the name of user industrial units for their own use only.
- (8) Import of pet coke for purposes of trading shall not be permitted in NCR States.
- (9) Producers or refineries, their authorised dealers shall submit details of pet coke produced and sold to end user industrial units during the month, and opening and closing stock to the concerned State Pollution Control Board on quarterly basis.
- (10) All end user industrial units, including oil refineries, shall submit details of pet coke from different sources during the month (self produced, imported, purchased from refineries or authorised dealers), quantity consumed during the month, and opening and closing stock to the concerned State Pollution Control Board on quarterly basis.
- (11) The NCR States Pollution Control Boards shall develop an electronic record system for uploading of consents, registration, record of sales by oil refineries, and record of use by industrial units, as mentioned above and the said Boards shall share this data on a quarterly basis with the Central Pollution Control Board.
- (12) Industrial units in NCR States shall source pet coke only from producers or refineries and their authorised dealers and they shall not source these products from any other intermediaries even when they are located outside the NCR States.
- (13) For producers or refineries and their authorised dealers in non NCR States who are making sales to user industries in NCR States, such producers or refineries, their authorised dealers shall have to be registered with the State Pollution Control Board of the States where the end users reside in accordance with direction (4) above and they shall ensure that the sales are as per the directions (5) and (6) above and they shall file quarterly reports to the State Pollution Control Board of the State where the end users reside, in accordance with direction (9) above.
- (14) Sale of pet coke shall be made only to the industrial units mentioned in the list annexed to this notification as Annexure, and any change in the said list shall be made on the recommendation of the concerned State Government and with the approval of the Central Pollution Control Board.

2. The notification shall come into force on the date of publication in the Official Gazette.
