A tired turtle!

- Open defecation was not acute problem
- Shared toilet (Limited service) is the reality
- Poor people (lowest quintal) needs to move to Basic level
- Policy landscaping needs revision: Approach, Technology, Data management

Landscape Change towards Safe Sanitation: Rural and Small-Town Perspective

**Institutional and Regulatory Framework (IRF) has been approved with the central notion of ensuring safe sanitation service in Bangladesh, aligned with SDG target 6.2.**

Milestone 2017
Institutional and Regulatory Framework (IRF) has been approved with the central notion of ensuring safe sanitation service in Bangladesh, aligned with SDG target 6.2.

Milestone 2020
National Action Plan (NAP) for Paurashavas and Rural areas

Milestone 2021
National Action Plan (NAP) for Paurashavas and Rural areas

**2025**

- Paurashavas with operational FSM services (10)
- Paurashavas selected from funded projects for FSM services (115)
- Paurashavas having land for FSM services (26)
- Paurashavas need land procurement for FSM services (184)

**2025+**

- Non-Paurashava towns, growth centers
- Rural areas

**2030**

Policy & Advocacy
Building Capacity
Demonstration & Replication
Financial planning and influencing IFIs
Developing Market for innovation
Monitoring, Evaluation & Learning
Disaster, emergency & coordination

**2020**

- 329 Small Towns + Rural areas

**2021**

- National Strategy for Water Supply and Sanitation 2021
- National Action Plan (NAP) for City Corporations

**2021**

- 329 Small Towns + Rural areas

**2021**

- CWIS-FSM Support Cell

**2021**

- Paurashavas

**2021**

- On site/FSM focused

**2021**

- On site/FSM focused

**2021**

- On site/FSM focused

**2021**

- On site/FSM focused

**2021**

- On site/FSM focused
Turtle is steadily moving!

- 150+ FSTPs will be in operation
- CWIS framework
- National Dashboard for SDG6.2
- Integrated Waste Management
- Expansion of urban facilities
- Poor people gets Basic Sanitation
- National WASH Accounts
- Graduation as Middle-Income Country
- Resource mobilization
- Rural contextual technologies
- Graduation as Middle-Income Country
