            Richa Sharma(richa@cseindia.org)

Community Managed Rural Water Systems (CMRWS): Drinking Water for the Last Person

Ministry of Rural Development has nominated CSE as a resource centre to train Panchayat members, PHED engineers and rural schools on maintaining the sustainability of drinking water sources.
Contact: Romit Sen (romit@cseindia.org)

Clean air and Mobility

Cities across India have initiated major reforms in mobility management, air pollution reduction strategies, public transport and congestion reduction. Workshops for urban local bodies, planners, city planners, consultants, transport officials, air quality regulators, town planners, researchers, and city development agencies.
Details>> http://cseindia.org/node/1015
Contact: Priyanka Chandola (priyanka@cseindia.org)

Sustainable Building Program

Workshops to help cities implement national building and resource conservation codes and enforce energy, water efficiency and waste management norms for green buildings.
Contacts: Arun Bhandari (arunb@cseindia.org)
Sakshi C Dasgupta (sakshi@cseindia.org)

Managing Information in the Digital Age

For information managers on how to create a digital documentation centre (books, journals, news-clippings, audio-visual resources) and maximize Internet-based outreach and advocacy.
Details>> http://cseindia.org/node/1532
Contact: Kiran Pandey (kiran@cseindia.org)

Food Safety

To inform and educate lawyers, policy makers and consumer groups on food safety standards and corporate liability.
Details >> http://cseindia.org/node/503
Contact: Savvy Soumya Misra (savvy@cseindia.org)

Environmental Impact Assessment: From Screening to Decision-Making (EIA)

Workshops to build technical capacities of NGOs, consultants, project-affected communities, regulators and industry representatives, to scrutinize and participate in the environmental clearance processes for industrial projects. Additional courses will help set guidelines for textile and pharmaceutical sectors.

Contact: Sujit Kumar Singh (sujit@cseindia.org)

Trainings for Environmental Regulators

Month-long (one) and week-long (two) training programmes to help build capacities of regulators, including SPCB & CPCB officials.
Details>> http://cseindia.org/taxonomy/term/20084/menu
Contact: Nivit Kumar Yadav (nivit@cseindia.org)

Green Schools Programme (GTGSP)

Refresher workshops targeted at school teachers to make environmental education interesting & relevant.
Details>> http://cseindia.org/taxonomy/term/20071/menu
Contact: Ashish Shah (ashish@cseindia.org)

Media Workshops & Fellowships

Workshops for national, South Asian and regional media to help demystify key environmental issues. Several Fellowships are also offered to journalists.
Details>> http://cseindia.org/taxonomy/term/20095/menu
Contact: Souparno Banerjee (souparno@cseindia.org)

Climate Change

Workshops on climate change compliance and liability; and media briefing for South Asian journalists
Details >> http://cseindia.org/taxonomy/term/27/menu
Contact: Kushal Yadav (kushal@cseindia.org)

Month long certificate courses

Agenda for Survival: Politics, Policies and Practices of Environmental Management in India

For graduate and post-graduate students & young professionals in India
Details>> http://www.cseindia.org/node/1701

Challenge of the Balance: Views from the South

Orientation course for young professionals, together with undergraduate and graduate students studying at universities outside India.
Details>> http://www.cseindia.org/node/1259

For these courses, the course design includes, seminars & lectures by eminent academicians & activists, a week-long field tour of rural India & innovative assignments.

Calendar of Training Programmes, Workshops & Fellowships: July 2010 to August 2011

July 2010
6 - 9: DWTR - MoUD engineers
22 - 23: GTGSP - Teachers
27 - 28: GTGSP - Teachers (Gangtok)
27 - 31: URWH - general public

August 2010
9 - 13: EIA
10 - 12: URH - Govt Engineers (NOIDA)
12 - 13: GTGSP -Teachers (Chandigarh)
13 - 14: Media Workshop: Coasts & Coastal Concerns
19 - 20: GTGSP - Teachers
26 - 28: CMRWS - PHED engineers
24 - 28: DWTR - general public

September 2010
7 - 9: DWTR – Govt Engineers (NOIDA)
15: Media briefing – antibiotics in honey
15 - 17: CMRWS (Madhya Pradesh)
18 - 22: EIA (textile & pharma sector in Bangladesh)
21 - 23: Clean air & management for NGOs
22 - 24: CMRWS (Madhya Pradesh)
28: Rating systems for water efficient fixtures

October 2010
7: Regional Media Workshop on air quality & transportation challenges (Hyderabad)
20: Workshop on DWTR for all (Delhi)
21 - 22: CMRWS (Madhya Pradesh)
24 - 29: CMRWS (Madhya Pradesh)
24 - 27: URH (Bangladesh)
25 - 29: EIA
TBA: One day symposium on sponge iron
TBA: GTGS Programme (3 courses)

November 2010
9 - 12: DWTR for Municipal Functioneries
9 - 14: CMRWS for Panchayats & PHED (MP & Raj.)
11 - 13: EIA with NGOs (Gujarat)
15 - 19: Advance training for environmental regulators
16: Workshop: for regulators, architects, etc.
22 - 24: Clean air & mobility for Regulators
23 - 28: CMRWS (Panchayat & PHED (MP & Raj.)
24 - 25: South Asian media wrkshp on climate change
23 - 26: URH –
TBA: Climate Change workshop for media, jurists

December 2010
6 - 11: CMRWS for PHED engineers (Rajasthan)
7 - 10: Managing Information in the Digital Age
8 - 9: DWTR Policy (TBA)
13 - 15: EIA (Meghalaya)
17 - 19: EIA - regulator (Madhya Pradesh)
15 - 19: Advance training for environmental regulators
20 - 24: CMRWS PHED engineers (Rajasthan)
Dec. 20 - Jan. 7: Challenge of the Balance
21 - 24: DWTR (South East Asia)
29 - 3: EIA
TBA: Food Safety

January 2011
11 - 14: DWTR - MoUD
18 -19: URH MoUD Policymakers
27 - 28: CMRWS (PHED ENGG Rajasthan)
Jan. 31 - Feb. 5: CMRWS (PHED Engineers, Rajasthan)
TBA: Managing Information in the Digital Age
TBA: Clean Air & Mobility for regulators
TBA: Energy & Green Buildings (round table)
TBA: Media Fellowship Briefing Workshop: 'Cities & Green Buildings'

February 2011
Feb. 1 - March 2: Environmental Regulators from India
1 - 4: URH for municipal engineers
15 - 17: URH for defense engineers
24 - 25: URH MoUD policy makers
Feb. 28 - March 5: CMRWS for PHED engineers (Raj.)

March 2011
1 - 5: DWTR for general participants
7 - 8: CMRWS for schools (Rajasthan)
14 - 15: Policy level workshop for green buildings (MoUD)
14 - 16: EIA
15 - 20: CMRWS for panchayat members (Rajasthan)
19 - 21: Environmental clearance workshop (Chattisgarh)
21 - 25: URH for general participants
TBA: Managing Information in the Digital Age
TBA: Clean Air & Mobility for regulators

April 2011
25 - 29: EIA (Trivandrum)
TBA: Workshop on Renewable Energy

May 2011
TBA: Clean Air & Mobility for regulators

June 2011
1 - 30: Agenda for Survival: Certificate course for students from India

August 2011
1 - 30: Challenge of the Balance: Certificate course on environment management for international students

---

To Be Announced
- Clean Air & Mobility (in Dhaka & Kathmandu)
- Country Media Briefing Workshops (Dhaka & Colombo)
- Regional Media Workshops (Northeast India)
- Domestic Wastewater Treatment & Reuse (for municipal engineers)
- Urban Rainwater Harvesting (for municipal engineers)
