Dear Sir

Ganga is India's holiest river with significant economic, environmental, religious and cultural values. It is a lifeline to millions of Indians who live along its course and depend on it for their daily needs. National Mission for Clean Ganga under Ministry of Water Resources, River Development and Ganga Rejuvenation, Govt. of India is implementing flagship programme 'Namami Gange' to integrate the efforts to clean and protect River Ganga in a comprehensive manner.

2. Centre for Science and Environment, a public interest research and advocacy organisation based in New Delhi is implementing an initiative 'Capacitating urban local bodies and other stakeholders' in the Ganga basin cities. The initiative aims to converge Swachh Bharat Mission, AMRUT and ODF cities initiative under one umbrella - 'Namami Gange' programme by planning for city-wide sanitation including non-sewered areas, and identification of projects for effective wastewater/septage management.
3. The initiative will be launched in select cities as per brochure attached. Urban local bodies will be targeted for capacity building on water and waste as well as support in preparation of City Sanitation Plans.
4. Representatives of Centre for Science and Environment will therefore be visiting your offices for project purposes. National Mission for Clean Ganga seeks support and cooperation with your offices in achieving objectives and successful implementation of the initiative.
