Swachh Bharat Ambassadors

Coimbatore Corporation wanted active citizens and social workers of the city to be nominated as swachh bharat ambassadors.

Hence we selected 44 people from the active citizens of Coimbatore City and nominated as swachh bharat ambassadors of Coimbatore City.

Responsibilities of SBM Ambassadors

- Curb open defecation in the city
- Organise awareness of segregation of waste in respective communities
- Organise thematic mass cleaning drives
- Coordinate with the corporation officials and organise various events in their locality as part of Swachh Bharat Mission.
- As active WhatsApp group is formed for effective communication between the members and officials involved in SBM

Project - No Dumping

- No dumping is a platform/environment/time/space where the need, effort and resource comes together for larger environmental impact in the area of waste management

My Waste My Responsibility

- An initiative of Coimbatore Corporation , SWM young entrepreneurs, NGOs and the Corporate under Swachh Bharat Mission.
- The only objective of the initiative is the name defines itself no dumping through my waste my responsibility philosophy and motivates people to segregate waste in gated communities and apartments.
- Currently 50 apartments are part of the initiatives and monthly 150 tons of waste is segregated and processed.
- This month we are to implement this method to one apartment in every ward compulsorily.

Project 50

- This mission of “**Project 50**” is to ensure 100% D2D segregation from household of selected wards of the Corporation
- 10 wards are selected from each zone and periodical reviews are conducted by the Commissioners, Deputy Commissioners and Officials.
- Daily reports are updated live on the dashboard
- All Sanitary Inspectors are requested to update the data of segregated waste collection through a mobile app and its monitored centrally from the administrative office
