a. Facilitators knowledge of the subject

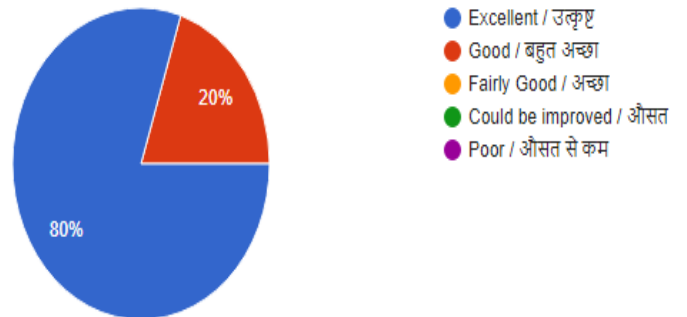

c. Responsiveness of facilitator to questions and problems

b. Involvement of Participants

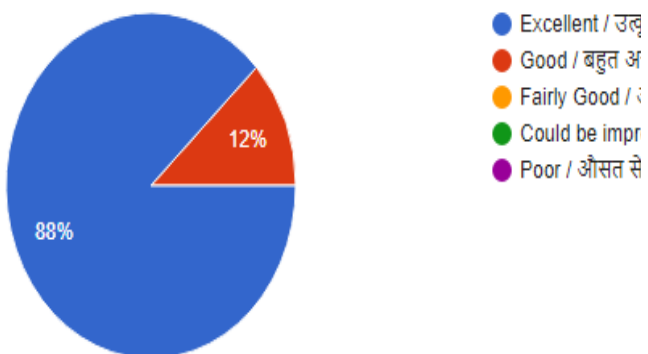

d. Presentation style of the facilitator

Other feedback:

- No
- Excellent
- Hard copy of ppt should also be provided during lecture given by experts
- Nothing
- Excellent
- Good exercise was done. But needs more time to practice at home for real projects. Then only it will become easier to understand the theory given in the sessions.
- Very good execution of training
- no
